

How to Align and Space an Image Within a Table

GTP iCommerce instructions on how to align and space images in a table using the CMS.

Aligning and Spacing an Image

- An image can be aligned within a table using the cell properties option
- Space can be added vertically and horizontally around an image, within the appearance tab in the Insert/Edit Image window

Aligning an Image Using the Table Cell

The screenshot shows a web editor interface with a table containing an image. The image is not aligned to the left or right of the table cell. A yellow callout box with a red arrow points to the image, stating "Image without cell alignment".

Right Click inside the Cell

The screenshot shows the iNews CMS editor interface. The browser address bar displays `cms.gtp-icommerce.com.au/story/editor/edit.php?id=88309`. The page title is "iNews". The editor includes a navigation menu with tabs for "Web Page", "Content", "Search Engines", "Miscellaneous", "Files", "Images", and "Script", along with an "Update Page" button. A rich text editor toolbar is visible above the content area. The content area contains the heading "Preview Our Executive Accommodation" and a paragraph of text. A table is present in the content, with a yellow callout box pointing to a cell containing an image. The callout box says "Click on Cell then Table Cell Properties". A right-click context menu is open over the cell, with a yellow callout box pointing to it that says "Right click in the table cell". The context menu options are: "Insert/Edit Table", "Table Properties", "Delete Table", "Cell" (highlighted), "Row", and "Column". The "Cell" option has a sub-menu open with "Table Cell Properties", "Split Merged Table Cells", and "Merge Table Cells". A yellow callout box points to "Table Cell Properties" in the sub-menu. At the bottom of the editor, the path is shown as `Path: table » tbody » tr » td » img` and the word count is "Words:41".

Choose the Alignment

The screenshot shows a web editor interface for 'iNews'. A 'Table Cell Properties' dialog box is open, displaying the 'General' tab. The 'Alignment' dropdown menu is expanded, showing options: 'Not Set', 'Center', 'Left', and 'Right'. The 'Right' option is selected. A yellow callout box with a red arrow pointing to the 'Right' option contains the text: 'Change the alignment, here I have set it to the right'. The background shows a preview of a page with the heading 'Preview Our Executive Accommodation' and a paragraph of text. The editor includes a toolbar with various icons and a navigation menu at the top.
