WELCOME TO
Sea Jewels

Whether it's flattering one piece swimwear, a more supportive cossie or great quality kids swimwear, Sea Jewels Swimwear has something for you! What's more you can do all of your swimwear online shopping with us and avoid pushy sales staff and the hassle of shopping around!!!

To Make your Own Image for your homepage you will need to:

- Find a image that you want to use for the background
 - (Note: the image need to be bigger or the same size as the current image panel)
- Know what size the image needs to be to fit into the panel on your homepage
- Have an image editing software such as:
 - pixlr.com/editor
 - paint.net

How to Find out the Dimensions of Your Current Homepage Panel Image

This is an important step because the image you create will need to be the same size as the current panel image

Go to Your Website

The screenshot shows the homepage of the Sea Jewels website. At the top left, there is a navigation menu with links for Women, Plus Size 26 - 32, Maternity, Men, Kids, Sale, Brands, Sale, Wholesale, Schools and Clubs, Stores, Contact, and View Cart. The main header features the Sea Jewels logo and the tagline "Designers of Australian brands Viva Swim, Sunskins & Jewel". A sign-up form is located at the top right, with the text "SIGN UP NOW AND GET A \$10 VOUCHER*" and a "Go" button. Below the header, a large banner image shows a woman in a black swimsuit sitting on rocks by the ocean, holding a white parasol. The text "Real Swimwear for Real Women" is overlaid on the image, along with a "Sizes 10-24" label. A yellow callout box with a mouse cursor icon points to the banner image, containing the text "Right click on image". Below the banner, a "WELCOME TO Sea Jewels" section contains a paragraph of text: "Whether it's flattering one piece swimwear, a more supportive cossie or great quality kids swimwear, Sea Jewels Swimwear has something for you! What's more you can do all of your swimwear online shopping with us and avoid pushy sales staff and the hassle of shopping around!!!". At the bottom, there are four small images showing different swimwear styles: a woman in a black swimsuit, a woman in a black swimsuit with a ruffled top, a woman in a blue and white patterned swimsuit, and a young girl in a pink and white swimsuit.

Right click on image

Using pixlr.com/editor to Make Your Image

Pixlr.com/editor is a browser based image editing program, that can be used on both mac and pc operating systems

Open up Your Internet Browser

- Type in the URL:
 - pixlr.com/editor
 - Or search for pixlr in Google

You Should Now See This Screen

Increasing the Window Size

Open the Background Image

Click on the Background Image You Have Saved

Reduce the Image Size

Use the Width That you Found on Your Panel Image

Change the Width to the size of your panel image in this case it is 940px

resize size

Width: 4000 pixels

Height: 3801 pixels

Constrain proportions

OK

Cancel

Select OK

Save the Image

Change the name and save in JPEG format

Click OK

Close the Background Image Window

Click No

You can click no if you just saved the image

Go to Open Image as Layer Under the Layer Drop Down Menu

Select the Image You Resized

Click on the Arrow Tool

Drag the Background Image Layer on the Canvas

Check the Dimensions

Adding Text

Type in Text into the Text Box and Change the Size, Style and Colour

The screenshot shows a photo editing application window titled "Sea Jewels Background image-edt". The main canvas displays a beach scene with the text "\$20 OFF FRIDAY" overlaid in a decorative, outlined font. A text box is active, and a dialog box is open for editing the text. The dialog box contains the following fields:

- Text: \$20 off Friday
- Font: Algerian
- Size: 95
- Style: Regular
- Color: Black
- Alignment: Left

A red arrow points from the text box in the dialog to the text on the image. A yellow callout box on the right contains the following text:

A text box will be displayed once you have clicked where you want the text on the image

You can edit the style and colour from here

The interface also includes a menu bar (File, Edit, Image, Layer, Adjustment, Filter, View, Language, Help), a toolbar on the left, and panels for Navigator, Layers, and History on the right.

Look for a Easy to Read Colour

Add the Promotional Text

Save the Image

Can save it in the
PXD format

This will allow you
to go back and edit
the image

Save as JPEG format

Insert Your New Image Into Your Website

Now that you have created your promotional image it is time to get it on your web site

Login to the CMS

A screenshot of the GTP iCommerce login page. The page has a dark blue background with a white central box containing the login form. The form includes the GTP iCommerce logo, a welcome message, input fields for username and password, a login button, and links for password recovery and support. At the bottom, there is a copyright notice.

The logo for GTP iCommerce, featuring a blue cube icon to the left of the text "gtpcommerce".

Simply enter your username and password and you will be able access all your GTP iCommerce facilities

Tip: After uploading images, you may need to click the Update Page button to be able to see them.

Select the Insert Image button

The screenshot shows a web page editor interface. At the top, there is a navigation bar with the following links: [Add New Web Page](#), [Add New Web Page Like This](#), [Clear MS Word Code](#), [List Web Pages](#), [List Web Pages By Web Pages](#), [Home Page](#), and [Close Window](#). The main content area has a header with the text "iNews" and "EDIT A WEB PAGE ID: 77387 - Home Page". Below the header, there are several tabs: "Web Page", "Content", "Search Engines", "Miscellaneous", "Files", and "Images". The "Web Page" tab is active, and it contains a rich text editor toolbar with various icons. A red arrow points to the "Insert Image" icon in the toolbar. A yellow callout box with the text "Click on the Insert image button" is positioned over the arrow. The main content area of the editor shows the text "Sea Jewels" in a blue font. At the bottom of the editor, there is a status bar with the path "Path: table » tbody » tr » td » span" and the word count "Words:46". A link "[Get contents]" is also visible.

Tip: After uploading images, you may need to click the Update Page button to be able to see them.

Open the rotatingimages Folder

Click the Upload Button

Select the Choose files Button

The image shows a screenshot of a web application's 'Upload' dialog box. The dialog has a title bar with the word 'Upload' and a close button. Below the title bar, there is a green plus icon followed by the word 'Upload' and the text 'Use the form to upload files.'. Below this, there are three lines of text: 'Valid extensions: gif, jpg, png, swf, flv, wmv, mp4', 'Max upload size: 30 MB', and 'Path: /images/rotatingimages'. A prominent 'Choose files' button is located below the text. A red arrow points from a yellow callout box to the 'Choose files' button. The callout box contains the text 'Click the Choose files button'. Below the button, there is a line of text: 'If you're having trouble uploading you can always use the [basic uploader](#).' The background of the dialog is light gray with a faint image of a wind turbine.

Upload
Use the form to upload files.

Valid extensions: gif, jpg, png, swf, flv, wmv, mp4
Max upload size: 30 MB
Path: /images/rotatingimages

Choose files

Click the Choose files button

If you're having trouble uploading you can always use the [basic uploader](#).

Select the Image you Made

Upload the Image to the Server

The screenshot shows the Moxiecode Image Manager interface. The main window title is "Moxiecode Image Manager". The selected folder is "/images/rotatingimages". The interface includes a "Filter" input, "Create folder", "Upload", and "Refresh" buttons. On the left, there are "Categories" (images, History, Favorites) and "Folders" (a dropdown menu). The "Upload" dialog box is open, displaying the following information:

- Upload** (with a plus icon): Use the form to upload files.
- Valid extensions: gif, jpg, png, swf, flv, wmv, mp4
- Max upload size: 30 MB
- Path: /images/rotatingimages

File	Size	Status
main-09.jpg	562 KB	Remove

You have 1 files (total 562 KB) eagerly waiting to be uploaded. A yellow callout box with the text "Click Upload to server" has a red arrow pointing to the "Upload to server" button.

Below the dialog box, a grid of image thumbnails is visible, labeled "main_01.jpg" through "main_05.jpg".

Close the Insert Image Window

The screenshot shows the iNews CMS editor interface. At the top, there's a navigation bar with tabs for 'Web Page', 'Content', 'Search Engines', 'Miscellaneous', 'Files', and 'Images'. The 'Images' tab is active. Below the tabs, there's a 'Moxiecode Image Manager' window. The window title is 'Moxiecode Image Manager' and it has a close button (X) in the top right corner. The window content shows a grid of image thumbnails. A yellow callout box with a red arrow points to the close button. The callout text reads: 'If you can see the image being displayed, close this window'. The image manager also shows a 'Selected folder' field with the path '/images/rotatingimages' and buttons for 'Create folder', 'Upload', and 'Refresh'. The grid of images includes thumbnails with labels like 'Sea_Jewels_Bad', 'main01.jpg', 'main03.jpg', 'main04.jpg', 'main05.jpg', 'main06.jpg', 'main07.jpg', 'main_01.jpg', 'main_02.jpg', 'main_03.jpg', 'main_04.jpg', and 'main_05.jpg'. The bottom of the screenshot shows a partial view of the main editor content with the text 'may need to click the Update Page button to be able to see them.'

Click on the Miscellaneous Tab

The screenshot shows the 'iNews' CMS editor interface. At the top, there's a navigation bar with 'EDIT A WEB PAGE ID: 77387 - Home Page' and an 'Update Page' button. Below this is a tabbed interface with tabs for 'Web Page', 'Content', 'Search Engines', 'Miscellaneous', 'Files', and 'Images'. The 'Miscellaneous' tab is highlighted in green and has a red arrow pointing to it from a yellow callout box that says 'Go to the Miscellaneous tab'. The main editing area contains a text box with the text 'Sea Jewels'. At the bottom, there's a status bar showing the path 'Path: table » tbody » tr » td » span' and 'Words: 46'. A footer note at the bottom of the browser window says 'may need to click the Update Page button to be able to see them.'

In the Misc1 box Type in the name of your image and add .jpg

Check Your Web site for the change It may take some time for the new image to be displayed due to caching

The screenshot shows the Sea Jewels website homepage. At the top left, it says "Chlorine Resistant Swimwear, Plus Size & Womens Swimwear Australia". The main navigation bar includes "SIGN UP NOW AND GET A \$10 VOUCHER*", an email input field, and a "Go" button. The Sea Jewels logo is followed by "Designers of Australian brands Viva Swim, Sunskins & Jewel". Navigation links include "Size Chart | Customer Service | About Us" and "FREECALL 1800 008 482". A secondary navigation bar lists "Women | Plus Size 26 - 32 | Maternity | Men | Kids | Brands | Sale | Wholesale | Schools and Clubs | Stores | Contact" and a "View Cart" link.

The main promotional banner features a beach scene with the text "\$20 OFF FRIDAY" in a large, stylized font. Below the image, it says "To get \$20's off any product enter the code: friday". A red arrow points from a yellow callout box on the right to the banner image.

The callout box contains the text: "Image will now appear in the rotation".

Below the banner is a "WELCOME TO Sea Jewels" section with the text: "Whether it's flattering one piece swimwear, a more supportive cossie or great quality kids swimwear, Sea Jewels Swimwear has something for you! What's more you can do all of your swimwear online shopping with us and avoid pushy sales staff and the hassle of shopping around!!!".

At the bottom, there are four small images showing women and a child in swimwear.

How to Make Your Promotional Offer in the CMS system

This is where you create your discount code to be used by your customers in the checkout.

Login to the CMS

Flattering Comfortable Swimwear For All Ages and Sizes

"I was initially cautious about..."

Adding the Product

Frill Tankini Top - Black Chlorine Resist

Style: 205FC00

Description:
Frill neck detail to enhance the bustline.
Slight A line to skim the hips and tummy.
This gorgeous figure flattering swim top is made from long lasting chlorine resist fabric.
It has removable soft cups for support.
For cup sizes larger than DD we recommend wearing this top over our underwire swim bra. This top can be worn over the swim bra for good support.
The straps can be adjusted to suit a variety of body lengths.
Made in Australia.

Congratulations

You Have

1. Created an Image of the right size with an offer on it
2. Uploaded it to your web site and got it showing on the home page
3. Set up the promotion in the marketing tools area.
4. Tested it to see that it works in your checkout.

Marketing Tip

- Create an email and send out to existing customer database on the day before or on the day of the promotion – for best results
